in every way. He did not gain much by his transfer to the Local Examinations Office from the Editorial Staff of the Education Office in 1896. His work in both capacities has throughout been thoroughly & highly appreciated by Mr Stubbs. There has been a steadily increasing amount of work in the Local Examinations Office since Mr Rawes absorbed the Registrarship. His examinations have now become almost entirely clerical work as formerly a heavy charge on the Village School Fund. The Board's proposal does not allow any reasonable increase of salary

Sir,

I have the honour to submit once more for the favourable consideration of Government the following recommendations for the promotion of Mr S Gopala Rao Manager of the Mysore Local Examinations Mr Gopala Rao was a successful and popular Head Master of the Chickballapur High School till 18th August 1896 when he was appointed Manager of the Local Examinations in succession to Mr Clapham who was retired Mr Gopal Rao was appointed on Rs 80 rising to Rs 100 by annual increments of Rs 10 and reached his maximum pay of Rs 100 in August 1898 While the emoluments of Mr Clapham inclusive of his pension were Rs 250 a month The number of candidates at the Lower Secondary Examination has increased from 1674 in 1895-96 to 2558 in 1901-02 and two new Examinations the Kannada Pandits Examination and the Teachers' Certificate Examinations, have considerably added to the work of the Local Examination office The amount of fees received from Candidates in 1895-6 was Rs 6411, While the amount received in 1901-02 was Rs 10779 With the

result that Government after clearing all the expenses of the Local Examinations and also of the Office, which together amounted to Rs 10,718, were able to make a saving of Rs 61 The Board for the management of the Local Examinations who at their last meeting considered these accounts were unanimously of opinion that Government should again be appealed to to raise the pay of Mr. Gopala Rao to an adequate scale The Local Examinations have given an immense impetus to Middle school Education throughout the Province Considering the great usefulness of these important examinations and the conscientious care with which Mr. Gopala Rao has managed these Examinations since 1896, I strongly recommend that he may be placed in grade C 3 Rs 100 rising to Rs 210 and given a starting pay of Rs 130 from 1st July 1902 I have no doubt that the increased cost to Government will be met from the increase of fees expected during the next year, while a deserving educational officer will be placed in a suitable grade on adequate pay I shall be glad if under these circumstances Government will be pleased to sanction my recommendation
